

Nemak Press Release

MONTERREY, MEXICO. October 11, 2019. — Nemak, S.A.B. de C.V. ("Nemak") (BMV: NEMAK), a leading provider of innovative lightweighting solutions for the global automotive industry, informs today that Markus Nolte, Vice President of Commercial, has decided to leave the company to pursue other professional opportunities.

Dirk Barschkett will assume the position of Vice President of Sales and Marketing reporting to the CEO. He brings wide-ranging knowledge and leadership capabilities to this role, honed over his more than 27 years of experience in the casting and automotive sectors. Most recently, he served as Sales, Marketing and Business Development Director for Nemak in Europe. Dirk holds an engineering degree from RWTH Aachen University and master's degrees from University of London and RWTH Aachen University. This change will be effective November 1, 2019.

Additionally, Rolf Deusinger will now become Vice President of Human Resources reporting to the CEO, effective today. In this role, he will lead the company's efforts to attract and retain top talent, helping to drive its growth and transformation journey. Prior to joining Nemak, Rolf served for more than 30 years in a variety of human resources positions in other international companies. He holds a degree from University of Mannheim.

###

About Nemak

Nemak is a leading provider of innovative lightweighting solutions for the global automotive industry, specializing in the development and manufacturing of aluminum components for powertrain and body structure applications. In 2018, it generated revenues of US\$4.7 billion. For more information about Nemak, visit www.nemak.com
