

## Nemak included in Dow Jones Sustainability Indices for fourth consecutive year

---

Monterrey, Mexico. December 13, 2022 - Nemak, S.A.B. de C.V. ("Nemak" or "the Company") (BMV: NEMAK), a leading provider of innovative lightweighting solutions for the global automotive industry, today announced it has been selected as an index component of the Dow Jones Sustainability Indices (DJSI) for the fourth consecutive year.

Nemak will remain part of the Dow Jones Sustainability MILA Pacific Alliance Index, comprised of companies with leading economic, social, and environmental practices in Latin America.

"This recognition underscores our commitment to pursue continuous improvement in our sustainability performance while contributing to our industry's efforts to advance electrification and lightweighting and address climate change," said Armando Tamez, CEO of Nemak.

The DJSI is among the very first set of global indices to track the largest and leading sustainability-driven publicly listed companies.

### About Nemak

Nemak is a leading provider of innovative lightweighting solutions for the global automotive industry, specializing in the development and manufacturing of aluminum components for e-mobility, structure & chassis, and ICE powertrain applications. In 2021, it generated revenue of US\$3.8 billion. For more information about Nemak, visit [nemak.com](https://www.nemak.com)
