

Nemak included in Dow Jones Sustainability Indices for fifth consecutive year

Monterrey, Mexico. December 15, 2023 - Nemak, S.A.B. de C.V. ("Nemak" or "the Company") (BMV: NEMAK), a leading provider of innovative lightweighting solutions for the global automotive industry, today announced it has been selected as an index component of the Dow Jones Sustainability Indices (DJSI) for the fifth consecutive year.

Nemak will remain part of the Dow Jones Sustainability MILA Pacific Alliance Index, comprised of companies with leading economic, social, and environmental practices in Latin America.

"This recognition is evidence of Nemak's unwavering commitment to building a responsible and sustainable automotive supply chain. We are honored to be part of this important index for the fifth consecutive year, and will continue advancing our sustainability strategy to build a cleaner automotive future," said Armando Tamez, CEO of Nemak.

The DJSI is among the very first set of global indices to track the largest and leading sustainability-driven, publicly listed companies.

About Nemak

Nemak is a leading provider of innovative lightweighting solutions for the global automotive industry, specializing in the development and manufacturing of aluminum components for e-mobility, structure & chassis, and ICE powertrain applications. In 2022, it generated revenue of US\$4.7 billion. For more information about Nemak, visit nemak.com
