

Nemak announces 2026 Guidance

Monterrey, Mexico, February 25, 2026. - Nemak, S.A.B. de C.V. (“Nemak” or the “Company”) (BMV: NEMAK) today announced its 2026 Guidance:

		2026
Revenue	(US\$ billion)	5.3 - 5.5
EBITDA	(US\$ million)	630 - 650
Capex	(US\$ million)	385 - 395

EBITDA (Operating income - depreciation, amortization & other non-cash items)

“We expect a resilient industry environment with stable demand across our main regions. While global trade dynamics will remain a key factor, Nemak is well positioned to navigate these conditions through our strong commercial foundation, disciplined financial management, and close collaboration with long-standing customers. The integration of GF Casting Solutions will further strengthen this position by expanding our technological capabilities, diversifying our product portfolio, and deepening our presence in structural components, which altogether will reinforce our long-term business profile.”

commented Armando Tamez, Nemak CEO.

About Nemak

Nemak is a leading provider of innovative lightweighting solutions for the global automotive industry, specializing in the development and manufacturing of aluminum components for e-mobility, structure & chassis, and ICE powertrain applications. In 2025, it generated revenue of US\$4.9 billion. For more information about Nemak, visit nemak.com
